

Licensed To Wed

SAN DIEGO (CNA) — Marriage licenses were issued to:

Thomas Choate, 21, La Mesa, and Emma Neeley, Lemon Grove;

James Swanson, 22, Imperial Beach, and Diane Dumoulin, 21, Spring Valley;

Orvin Larson, 31, Lemon Grove, and Mallory Matney, 26, San Diego;

Melvin Sutton, 36, San Diego, Velva McCrohan, 33, Lemon Grove, and

Jeffrey Bender, 23, Lemon Grove, and Carol McCoy, 18, Chula Vista.

Students Plan Christmas Show

The students in grades four through six at Spring Valley Elementary School will present a special Christmas program this evening at 7:30 p.m., sponsored by the school's Parent-Teacher Association.

Included in the program will be three short plays, each an original written by members of the different classes. Also making presentations during the program will be the Spring Valley Choir and the Spring Valley Caroleers.

The program is free and open to the public.

The mother lion guards her off spring cubs carefully and especially keeps way the father lion because he is inclined to kill the young.

NEWLYWED — Miss Elaine Hardison, daughter of Mr. and Mrs. James M. Hardison, of San Diego, became the bride of Stephen G. Dutton, son of Mr. and Mrs. Albert H. Dutton of Rancho Santa Fe, in a December 10 wedding at All Hallows Catholic Church in La Jolla.

Both the bride and groom are Spanish majors at San Diego State College, where they are seniors. The bride is currently employed as a teacher assistant at Point Loma High School. Dutton teaches at the Convent of the Sacred Heart in El Cajon.

The couple, following a wedding trip to Mexico, will live in Point Loma. The bride's father is a columnist for this newspaper.

Sister Placida Is Hospital's Top Executive

The Board of Trustees of Mercy Hospital and Medical Center announced the appointment of Sister M. Placida as Executive Director and Edward G. Hertfelder as Administrator.

Sister Placida, former Administrator, said the change was made because of the growth at Mercy and the increasing complexity of administration of health institutions.

The reorganization follows the development plan for Mercy which began with occupancy of the present inpatient and outpatient facilities, and the decision of the Sisters of Mercy to provide added leadership through lay administrative personnel, she said.

As Executive Director of Mercy Hospital and Medical Center, Sister Placida will concentrate her efforts on development of facilities and programs for continued expansion of the medical center to meet the needs of San Diego.

"I am interested in seeing that Mercy continues to serve the individual needs of patients and their families through a broad scope of patient programs, health education and research in the San Diego community," Sister Placida said.

No dogs are allowed within the city limits of Reykjavik, capital of Iceland.

CLASSIFIED EMPLOYEES — Mrs. Maurice McCormick is congratulated by Jerry Heath after she was installed president of the Lemon Grove School District's Classified Employees Association at a dinner at the

Bronze Room in La Mesa. Heath is outgoing president of the local group. Also installed at the dinner were officers of the La Mesa-Spring Valley District and the Grossmont High School District.

Our Men In The Armed Forces

Gilbert Tainatongo

Navy Seaman Apprentice Gilbert N. Tainatongo, son of Mr. and Mrs. Vicente T. Tainatongo of 555 Parkbrook st., Spring Valley, has graduated from recruit training at the Naval Training Center, San Diego.

He is a 1971 graduate of Mt. Miguel High School.

Richard Duncan

Army Private First Class Richard W. Duncan, 20, son of Mr. and Mrs. P. V. Cason, 2042 E. Fourth st., National City, recently completed a basic Army administration course at Ft. Ord, Calif.

The course trains students as general clerks, clerk-typists, and personnel specialists. They receive instruction in typing, filing, English grammar, preparation of correspondence, and in the recording and use of Army personnel records.

Pfc. Duncan is a 1969 graduate of Sweetwater High School, National City. His wife, Anna Marie, lives at 10707 Jamacha blvd., Spring Valley.

Area Births

Following are the latest birth reports for the Lemon Grove and Spring Valley area, as received from Grossmont Hospital:

To Mr. and Mrs. Lowell A. Knapp, of Spring Valley, a 7-lb. 1-oz. boy on December 2.

To Mr. and Mrs. Richard E. Davis, of Spring Valley, a 7-lb. 14-oz. girl on December 4.

To Mr. and Mrs. Gary L. Reid, of Lemon Grove, a 7-lb. 9-oz. boy on December 5.

To Mr. and Mrs. Ronnie E. Settles, of Lemon Grove, a 3-lb. boy on December 5.

To Mr. and Mrs. Michael G. Moore, of Spring Valley, an 8-lb. 7-oz. girl on December 5.

To Mr. and Mrs. William R. Baum, of Lemon Grove, a 7-lb. 1-oz. boy on December 6.

Church Sets Program

The Church School of the Foothills United Methodist Church, Avocado blvd., will present their Christmas program, "Birthday Party for Jesus", on Friday at 7 p.m. Everyone is invited, said Pastor Floyd Zerbe.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

"Saludar" means "to greet." Variations of "saludar" are found in an abundance throughout the Spanish-speaking world. "Saludar" is converted to the noun form by removing the "ar" ending. This leaves us with a new word, "salud," which means "health." We may use "salud" in phrases like "Como esta su salud?" (How is your health?), "Buena salud es importante." (Good health is important.), and "A su salud." (To your health.).

"Salud," when used as a simple exclamation, may be translated to mean "Greetings." "Hello," and may even suggest "Good luck." The circumstances assist in determining the meaning. If we say "Salud," as we quickly pass someone while we are walking on the street, the meaning of "Hello" is normally accepted. If we meet someone that we know, but have not seen for sometime and say "Salud," the gesture would suggest "Greetings!"

"Yo saludo" means "I greet." We may use this in expressions like "Yo saludo los visitantes." (I greet the visitors.), "Yo saludo mis amigos." (I greet my friends.) and "Yo saludo todos." (I greet everyone.). "Yo saludo" assumes another meaning when we say "Yo saludo la bandera." (I salute the flag.) and "Yo saludo mi capitán." (I salute my captain.).

"Le saludo" is the way to say "I greet you." This expression may be expanded by saying "Le saludo cordialmente." (I greet you cordially.) and "Le saludo con todo mi corazón." (I greet you with all my heart.). Closing expressions for letters use this phrase and are written "La saludo a Usted atentamente." This type of closing would be the same as "Sincerely yours" or "Yours truly."

"Saludamos" means "we greet." This form indicates that the subject is "we." Thus "Le saludamos en las manana." is translated "We greet you tomorrow."

Practice phrases listed below may be used as a guide for learning short phrases and the related phonetics. Call 276-2762 and listen.

IMPORTANT PHRASES:

Say "Como saluda usted?" (KOH-moh sah-LOO-dah oo-STERD)
for "How do you greet (someone)?"
Say "Yo saludo con hablar." (yoh sa-LOO-thoh kohn abh-LAHR)
for "I greet (someone) by speaking."

USEFUL PHRASES:

Say "Le saludo ahora." (leh-sah-LOO-thoh ah-OH-rah)
for "I greet you now."
Say "Le saludo cordialmente." (LEH sah-LOO-thoh kohn-dee-ah-MEHN-teh)
for "I greet you cordially."

John 13:34,35

"A new commandment I give unto you, That ye love one another; as I have loved you, that ye also love one another."
"By this shall all men know that ye are my disciples, if ye have love one to another."

A BIT LONG Cary Clemmons, at left, helps Mark Hodges load their fresh evergreen into the car, but much to their dismay, there was no room for the driver after the tree

was settled. Since the tree is not licensed to drive, the two gents had to resort to other means in order to transport it home, where ornaments and colored lights awaited.

IT'S TOO BIG — Mrs. Barbara Reinhardt and daughter Jenelle ponder the situation as they try to decide which tree will look best at their house. Jenelle decided that this tree was a bit too large and difficult for her to decorate. Her mother agreed.

I TOLD YOU SO — After much work, Bonnie Garcia's tree was worth it after all, and even Bob Ramsey would admit. It took several hours for them to dress the tree

with ornaments, lights, and tinsel, but only a few minutes to start the collection of gifts underneath it.

ANNUAL DECORATION — Mrs. Marion Norman, left, and Mrs. Mildred Huebsch work on the lower branches of the tree in the Lemon Grove Plaza area, while employees from the phone company take care of those that are out of reach. Mrs. Marion and Mrs. Huebsch are with the Lemon Grove Business Women's League, which maintains the plaza and decorates the tree each year. Also helping, although unable to reach all that high is Ann Collier, Mrs. Marion's granddaughter.

Abundance Of Christmas Trees Leaves Plenty To Select From

Christmas, with a note of and more people this year are buying living trees, which means that some of the presents will enjoy next weekend. cut trees this year may not be sold or may be reduced in price.

With the ecology movement going strong, many of the local Christmas trees this year will be more than just a \$7 investment to hang bulbs and lights on and put gifts under during Christmas.

For many, the Christmas tree will be "un-decorated" and replanted after the holiday season has passed. More

matter, to choose from, and a lot of people are having a good deal of fun picking out their trees.

Trees offered in Lemon Grove and Spring Valley range in price from less than five dollars to \$10 and more.

With the slight surplus in trees this season, the discriminating customer has the opportunity to pick out a tree that is perhaps a bit more symmetrical this year than the lop-sided evergreen he got in seasons past.

But this year is different, as there are plenty of trees, and plenty of lots for that

BUY THIS ONE — Jenell Reinhardt seems to have found just the tree to fit in her living room, and she lets her mother know it with squeals of delight. Her mother, realizing that the kid knew what she was smiling about, decided that the tree was indeed just the one for the living room, and purchased it from the Mayfair Market lot.

Holiday Tree Safety Suggestions Issued

Each year, during and after the Christmas season, much damage and pain is caused from carelessness and a lack of safety regarding Christmas trees. Safety organizations and fire prevention organizations have issued some precautions, some of which follow:

- Always check electrical connections and watch for frayed wires before decorating trees with electric lighting.
- Wrap the base of the tree with damp cloth or use a stand which utilizes water to keep the tree from drying out too fast.
- Place small ornaments

Photos By Mark Coffin

Consumer demand for beef has increased steadily since 1950 when the average person ate about 63 pounds as compared to 114 pounds in 1970.

A QUICK BUCK — One of the best ways for some local families to earn a quick buck for Christmas presents is to sell trees to friends, neighbors, and passers by. This year, there will be plenty of trees to go around, as it is nearly impossible to drive more than a

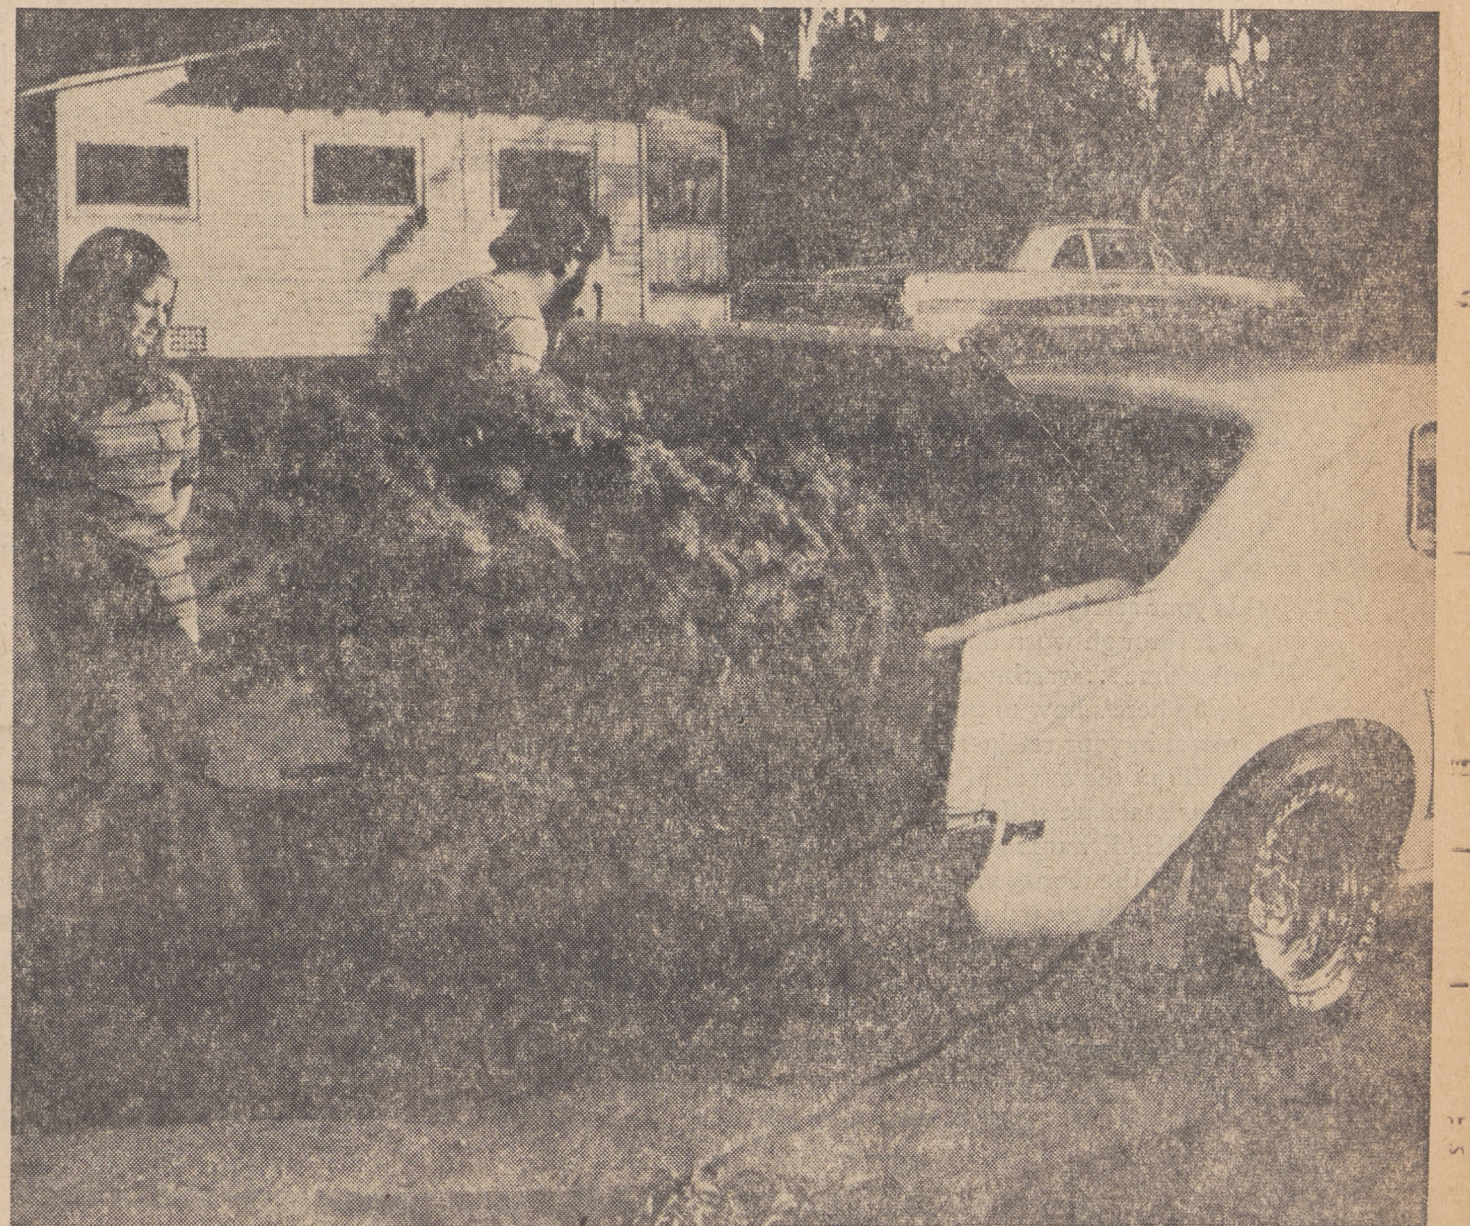

few blocks without passing a lot where the evergreens are offered for sale. Prices range from a couple of dollars for the tabletop tree to over ten dollars for a tree that barely fits in the living room.

I WANT THIS ONE — Bonnie Garcia decides that this particular tree is the one that will suit her best, and Bob Ramsey is worried about that as much as the price tag. Bonnie, however, won out over the wallet in the end, and Bob forked over the cash. The tree was purchased at the Mayfair Market lot.

FINAL SOLUTION — Cary Clemmons finally figured out that if the tree can't drive and is too big to be comfortable in the back seat, then it must ride on the outside of the VW. After securing the load with a small amount of twine and explaining to Mark Hodges that he'll be back to pick him up in a minute after unloading the ghastly horror, Clemmons drove triumphantly into traffic and made it home without an expected traffic citation for the obstructed view.

PERFECT FIT — Bob Ramsey, of Lemon Grove, loads his newly purchased tree into the trunk of his car, but the tree doesn't seem to fit perfectly. Nevertheless, Bob was persistent, and, with the advice of Bonnie Garcia, finally

managed to get the tree in far enough to drive home. Action was at the tree lot near the corner of Broadway and Kempf st. in Lemon Grove.

Library Program Set Next Week

The San Diego County Library will present a series of Christmas programs in four East County branches next week, including an afternoon program at the Lemon Grove Library, 7735 Pacific ave.

The program will feature a puppet show entitled "Kasper Helps Santa Claus" presented by Ingrid Pfeiffer, along with several stories and holiday songs, according to Helga Remy, who heads the County Library's children's program department.

Mrs. Pfeiffer is a member of the San Diego Puppetiers Guild and has done many shows for the library this year.

The first show will be at the La Mesa Library, 8055 University ave., La Mesa, at 10:30 a.m. December 21. That same afternoon, the Lemon Grove Library will present the program at 2 p.m.

Choral Music Program Set This Evening

"Christmas Splendor", featuring choral groups from the San Diego area, will be presented this evening at 8 p.m. in the San Diego Civic Theater, under the direction of Otis Skillings.

Featured groups will include the Skyline Wesleyan Church Chorale, the Young World Singers, and the Skyline Junior High Choir. Skillings is the regular director of the Skyline Chorale.

For many years Skillings was musical director for Youth for Christ in San Diego. He has also directed all of the music, including a 500 voice choir and orchestra, for the annual Youth for Christ International Convention at the famed Billy Sunday Tabernacle in Winona Lake, Indiana.

He has received several national awards for outstanding programming. Currently he is writing, arranging, and recording with many leading artists throughout America. He produced a high school assembly program for the Chrysler Corporation which has been seen by a million teenagers.

Skillings recently wrote an original forty minute musical called "Life" which has received high commendation from across the country.

ENSEMBLE.—Mount Miguel High School's Girls Ensemble departed Wednesday on an eight-day Christmas goodwill tour to parts of Mexico, with performances scheduled in Matzalan, Los Mochis and Chihuahua. The girls will return by plane from El Paso December 23.

Accompanying the thirteen girls on the tour will be Robert Boucher, director, school nurse Isabelle McCrae, and Ann von der Mehden, an English teacher at Miguel. Becky Brega,

a former student at Miguel, now majoring in languages at San Diego State will be interpreter.

The girls are, left to right, front row: Sue Sinclair, Sandy McPherson, Hedda Figuracion, Linda Hansell. Second row: Tara Green, Diane Kleinschmidt, Carla Hamilton, and Jan Utterback. Back row: Robin Sjogren, Suzanne Pickerd, Jan Baldwin, and Carolyn Budd. Not shown is Leesa Taylor.

PTA Highlights

Golden Avenue

Golden Avenue School Chorus of 4th and 5th graders presented the school's annual Christmas program. Mrs. Castle, the director and one of the PTA members, devoted many hours developing the program.

There were solos, rhythmic accompaniments and an opportunity for audience participation.

Santa Sophia

Sister Claire Lebreux, principal of Santa Sophia Academy in Spring Valley, has announced that "Christmas Around the World" is the theme for the annual Christmas program being given at 7:30 p.m. tonight in the parish hall.

Under the direction of teacher Mrs. Sandra White, all grades will participate in unfolding a flashback of G.I.'s remembering the Christmases they have spent in foreign countries. Each grade will depict the Christmas scene of such countries as France, Germany, Spain, Holland, and Mexico with songs in the native tongue of the country.

San Altos

The San Altos PTA held its monthly meeting December 9, and a special holiday program was presented by the first, second, and third grades, under the direction of Mrs. B. Hendrix, Mrs. L. Malmgren, and Mrs. S. McKeown.

Refreshments were served following the program, donated by the second and third grade room mothers.

San Altos PTA Board Members met at the Bali Hai Restaurant for their annual Christmas luncheon December 10. A gift exchange was held after the luncheon.

The collection, at San Altos School, of canned food and staples for a deserving family will end tomorrow.

Students In Retarded Program Sell Turkeys

When members of the Special Education staff at the Grossmont Union High School District bought their turkeys this Thanksgiving, 17 of them were able to purchase turkeys that had been raised by students in the district's Trainable Mental Retarded program at El Cajon Valley High School.

The turkeys had been raised by students in an animal husbandry class taught by Mrs. Marty Bledsoe. In this class, the students feed and care for a wide variety of animals, including pigs, goats, ducks, chickens, and, of course, turkeys.

Twenty-five day-old turkeys were delivered to the TMR facility last March, and the students began caring for them the day they arrived, providing feed, cleaning their pens, clipping their wings, and generally seeing to their welfare. Those students who

were not able to participate in the care of the birds gained a great deal from just walking among them and stroking them.

Mrs. Bledsoe said that it is amazing that 17 birds were raised to maturity, as the mortality rate is as high as 50% no matter what the circumstances. The dressed weight of the 17 birds ranged from 14 to 31 pounds.

The animal husbandry class is just one of a series of courses designed to teach students, the essentials of everyday life, which are offered at the TMR facility. Students are cycled through all the classes, spending several weeks in one unit before moving to the next. One such class, the homemaking course taught by Stella Cole, took the largest of the turkeys and cooked Thanksgiving dinner for all the students at the special school.

Although the students did not themselves kill the birds they had cared for, they did pluck and clean them. One parent telephoned the day after the dressing day to say that his son had finally been able to overcome a block in participating in a practical venture.

Signal to Head March of Dimes In Lemon Grove

"Birth defects are forever unless you help," is the message from Leo Sigal of 6350 Boulder Lake ave., Lemon Grove as chairman for the annual March of Dimes campaign locally.

Sigal's appointment was announced by Sheriff John F. Duffy. San Diego-Imperial campaign chairman for the voluntary health organization.

Arnold Palmer, outstanding golf figure, again serves as honorary national chairman of the January drive.

"Birth defects are everyone's concern," said Sigal, "because they strike nearly a quarter of a million infants every year. Although science has taken manifold steps in recent years to control and even prevent life-long damage to newborns, we still face a stiff fight against congenital handicaps."

Throughout the year, the voluntary health organization supports research, care, education and community service projects. Notable volunteer efforts have been launched for rubella immunization drives with health departments and medical societies.

Decorations Contest Held At Hospital

The annual Christmas decorating contest at Grossmont Hospital began Tuesday, as the hospital staff decorated various departments in festive holiday motif with materials used in the hospital.

Judges are Mrs. Robert N. Burnham and Mrs. Frank Hester from the Foothills Art Association; Mrs. R. O. Whitaker and Mrs. Maze of the East County Art Association; and Mrs. Donald Housh, Executive Vice President of the Grossmont Hospital Women's Auxiliary.

Trophies will be presented to 1st, 2nd and 3rd place winners in each of three categories: Christmas Present, Christmas Past and Christmas Future. Awards of merit to each participating department and the trophies will be presented at the employees' Christmas dinner the following day. Mrs. Owen A. Royster, art chairman for the Auxiliary, and Mrs. George Keywan, co-chairman, are in charge of the event.

In addition to the contest decorations, the Auxiliary has contributed to the Christmas atmosphere of the hospital lobby with a ten feet tall white flocked tree decorated with large glittered butterflies bound and braided, fruit clusters with diamond dusted leaves, red pendants and colored Italian lights.

Beneath the tree are 3 velvet-draped jeweled camels.

When the first newspaper, the Cherokee Advocate, was published in Oklahoma, it was printed in both English and the Cherokee Indian language.

Height Requirements Relaxed For CHP

The State Personnel Board has lowered the minimum height for California Highway Patrolmen to five feet, eight inches.

The board approved the one-inch reduction in minimum height at the request of the Department of the California Highway Patrol.

Richard L. Camilli, Executive Officer of the State Personnel Board, said the change should provide greater opportunity for persons desiring to enter the field of law enforcement.

GEORGE'S GOBBLER — George Patton, 15, is careful not to drop any grain as he feeds his turkey, "Old Evil Eye". George is a student in the Trainable Mentally Retarded program of the Grossmont High School District, and "Old Evil Eye" was one of 17 turkeys that wound up on dinner tables over Thanksgiving.

Get the cold facts on refrigerator and freezer savings.

Is your refrigerator losing its cool? When cold air sneaks out through worn door seals, your refrigerator has to work overtime...wasting energy and costing you more.

So here's how to put your seals to the test: place a paper towel in your refrigerator doorway. Shut the door and gently pull out the towel. If there's some resistance as you pull, your seals are still doing their job.

SDG&E wants you to get the most out of your appliances...and the money you spend on your gas and electric bill. So we've gathered the most current information on refrigerator and freezer use and care.

The result? A booklet chock full of helpful hints, no-no's and ways to save. Get "The Cold Facts on Refrigerator and Freezer Savings" now...FREE! For your copy, just write: Cold Facts, San Diego Gas & Electric Co., P.O. Box 1831, San Diego, Calif. 92101.

Monarchs Belt Trojans, Set For Kiwanis Tourney

By Tom Blatter

With all five starters scoring in double figures, the Monte Vista Monarchs crushed the Castle Park Trojans, 83-48, last Friday night at the Monte Vista gym.

Junior guard Rick Baker led the Monarchs' scoring with 20 points, with 18 coming in the second half. Senior Carl Zem-

lick and junior Steve Smith, both forwards, each threw in 17 points, and seniors Mike Moffatt and Greg Burness chipped in with ten markers apiece.

Sam Pectol of the Trojans was the leading point producer in the game with 25 points.

The Monarchs jumped out

to a quick five point lead in the first quarter, but Castle Park came back at the end of the period to close within one, 18-17, going into the second stanza.

In quarter number two, Monte Vista stretched its margin to eight points, 37-29, as the Monarchs outscored the Trojans, 19-12, behind the shooting of Smith and Burness.

The turning point of the game was the third quarter as Monte Vista blew Castle Park out of the gym, 26-5. The constant turnovers and poor shooting of the Trojans helped the Monarchs coast to their second win of the season against two defeats.

In the final period, the reserves of both teams got their chance to show what they could do, and Monte Vista continued to pour it on, as the subs scored 20 points to the Trojans' 14.

Smith, Moffatt, and Zemlick played an excellent defensive contest. Smith and Moffatt used their quick hands to make steal after steal, and Zemlick was his team's leading rebounder with 16 off the boards.

Monte Vista will be competing in the annual Kiwanis High School Basketball Tournament this coming weekend. The Monarchs are the defending champions as they beat the Grossmont Foothillers last year in the finals.

This year, however, the Monarchy will draw some tougher foes, leading off against Morse at 3 p.m. Saturday in the Grossmont College gym. Morse is a slight favorite, but if Monte Vista can get by the Tigers, an even tougher opponent will be on hand.

In the second round, the Monarchs will take on either San Diego or Granite Hills, providing that the local team gets by Morse. If the Monarchs have enough fortune to make it to the third round, an easy game awaits against either Mt. Miguel or Madison.

Should the local team gain the finals, it will more than likely be the end of the line, as Grossmont or Helix will be the adversary, with either team capable of blowing the locals off the court.

Little Swingers To Meet With Cobert, Barton

Young Padre fans will be able to meet and talk baseball with Nate Cobert and Bob Barton in the Padre Little Swinger offices at San Diego Stadium on Saturday.

Cobert and Barton will be available 9:30-4:30 for all Little Swinger members and prospective members, their parents and relatives.

The players will answer questions, offer valuable playing tips and sign autographs.

Cobert and Barton also will distribute to Little Swinger members tickets for the 11 Little Swinger Padre games next season, as well as either a baseball cap or T-shirt that is included in the membership.

New members will be able to sign-up and parents may purchase Little Swinger memberships as Christmas gifts and receive their tickets, T-shirt or cap at the same time.

The Little Swinger offices are located in the Padres ticket department on level 1-A at San Diego Stadium.

Private planes flying over Kenya, without permission, will be "shot down", authorities warn.

MOST VALUABLE — Tim Miller, who this year played with the Mount Miguel football team, was named recently the Grossmont League's Most Valuable Back. Miller, who led the Matador running game, was also a standout at punting, punt returns, pass catching, and scoring. (Carl Weber Photo)

Parkway Jr. High Claims CC Victory

The San Diego Section of the Southern California Municipal Athletic Federation sponsored a junior high school cross country meet December 4, and Parkway Junior High was among the winners.

Marston Junior High won the seventh grade race, Parkway took honors in the eighth grade race, and Mar Vista Junior High won the ninth grade competition.

In the seventh grade 1½ mile flat course, Steve Markland of Marston took individual honors, covering the distance in

9:19, three seconds faster than Parkway's John Sabin in second place. Marston claimed the win with 64 points, while O'Farrell Jr. High was second with 75 tallies. Muirlands took third, Einstein took fourth, Parkway took fifth, Hale took sixth, Palm of Lemon Grove was eleventh, and La Presa of Spring Valley was twelfth.

The highest placing Lemon Grove runner was Ricky Majors of Palm, who took fifteenth, while Spring Valley's best was Rick Frantz, who was 27th.

In the eighth grade competition, La Presa runner Richard Bales once again proved unbeatable, taking the 1½-mile hill course in 8:19, two seconds faster than Pershing's Tom Hunt.

Parkway made off with the team title with good grouping, piling up 72 points. In second place with 85 tallies was Marston, followed by Mar Vista with 91 points in third place and La Presa in fourth place with 130.

La Mesa Junior High took eleventh place.

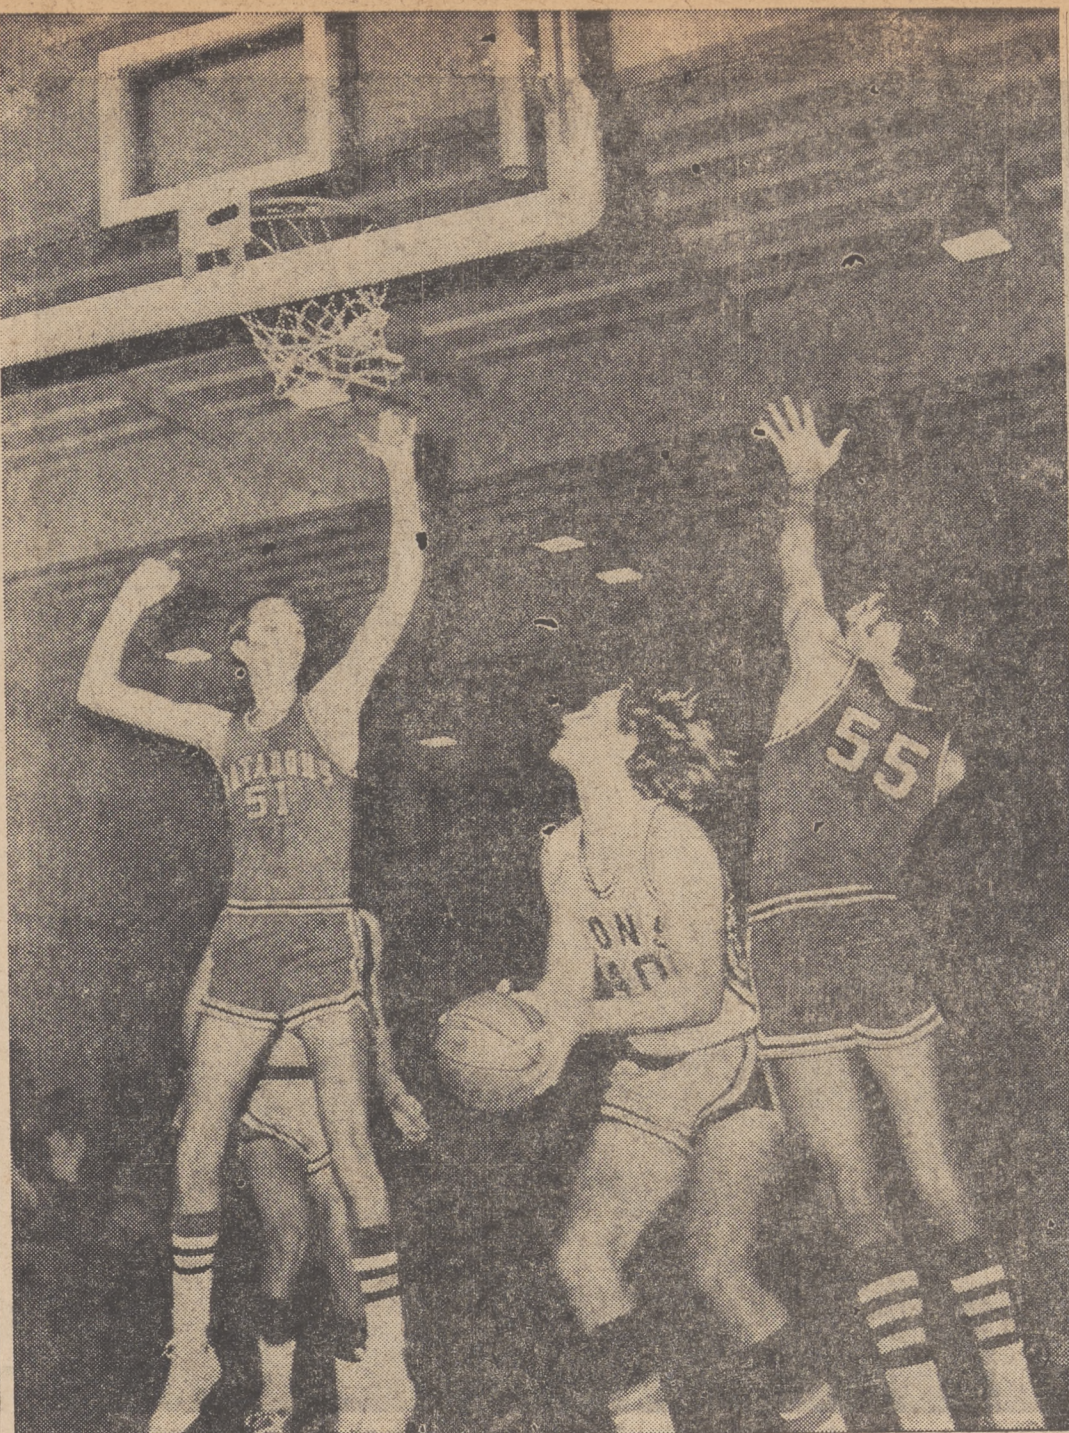

Bales was the highest placing Spring Valley runner with first place, while no Lemon Grove runners were entered in the meet.

In the ninth grade race, Tim Earle, from Granite Hills High School, took individual honors, besting second place Rudy Aguirre of Einstein Junior High by six points.

On a team basis, Mar Vista Junior High took the title with 88 points and was followed by second place Marston with 98 tallies and third place Santana High School with 101.

Local teams in the race were Mt. Miguel and Monte Vista High Schools, placing seventh and 14th respectively.

The highest placing Mt. Miguel runner was Ken Thompson, while Monte Vista's only entry was Sam Landrum, who took 35th in the two-mile hill course race.

DEFENSIVE MANEUVERS — Mt. Miguel players Steve Ayres, left, and Mark Dobransky, intimidate University High School player in Saturday night's action. Dobransky poured in 22 points and Ayres pulled

down several rebounds in a losing effort against the Dons. University took the lead in the first period and never trailed as the Dons handed the Matadors their sixth straight defeat, 70-58.

Matadors Keep Perfect Record—Drop Sixth Straight Hoop Affair

By Paul Stark

The Mount Miguel Matador basketball teams still hasn't found what it takes to win a game as they dropped two more games last week running their record to 0-6.

The first loss of the week came Tuesday afternoon at Kearny as five Komets scored in double figures to hand the Matadors an 88-72 loss.

The game was pretty even through most of first quarter as the Matadors stayed with the Komets. Ed Martinez broke an 8-8 tie with 3:50 to go in the first quarter when he sank a 19 foot jump shot.

Going into the third period the Komets held a 44-29 lead but a strong halfcourt press by the Matadors bothered them as they saw their lead cut to ten, 61-51, going into the final quarter. Mark Dobransky scored nine points in the quarter.

In the fourth period the Matadors made a strong bid at the Komets as they pulled within five points two times, 65-60 and 70-65, but they couldn't come any closer. Leading the surge for the Matadors was Mark Dobransky with 11 points.

Rotary Meeting Set

The weekly luncheon-meeting of the Spring Valley Rotary Club, will be Friday at 12:10 p.m., in the Ox Bow Inn, Campo rd., in the Casa de Oro area.

All Rotarians are welcome, said president Bob Brady.

Leading the scoring attack for the Komets was John Zielinsky with 16 points. Ed Martinez and Chris Brisebois each scored 14 points, Rick Trousedale added 11 points and Glen Pierce scored 10 points to support Zielinsky.

On Saturday night the Matadors traveled to University for a game with the Dons where they promptly lost 70-58.

In the first quarter the Matadors were leading 3-2, for the only time in the game, then the Dons scored ten straight points for a 12-3 lead and went on to hold a 20-12 lead at the end of the first quarter. Rick Rosendale scored seven points in the quarter.

In the second quarter the Matadors pulled within five points 25-20 but a three point play by Ted Hilke ended the threat.

The Dons pulled out to an 18 point, 58-40 lead in the third period as they outscored the Matadors 21-12 in the quarter, many on un-contested layups. Ted Hilke and Tom Sochowski each scored seven points in the period.

The Matadors pulled within nine points, 61-50, when Terry Geenman sank a 25-foot-jump shot, but they couldn't come any closer. Mark Dobransky scored 12 points in

the quarter.

Ted Hilke led the scoring attack for the Dons with 19 points. Lou Faust scored 14 points, Tom Sochowski scored 12 points, and Jeff Keogh scored 10 points to support Hilke. Mark Dobransky led all scorers with 22 points. Mark Guynn scored 10 points to aid the Matador cause.

On Saturday the Annual Kiwanis Tournament will start at Mesa College. The Matadors will play the Hoover Cardinals starting at 3 p.m.

Rams, Jets To See S.D. in Pre-season

Joe Namath and the New York Jets and Roman Gabriel and the Los Angeles Rams are not scheduled to play a National Football League game in San Diego until 1975.

But Charger fans will be able to see the two outstanding quarterbacks in pre-season action next year.

Joining the Jets and Rams on a four-game 1972 home schedule for the Chargers are the Atlanta Falcons and San Francisco 49ers. All games will be played on Saturday nights at San Diego Stadium. Schedule:

Aug. 5 — Atlanta Falcons
Aug. 19 — San Francisco 49ers

Sept. 2 — Los Angeles Rams

Sept. 9 — New York Jets

Two road games, to be announced at a later date by the home teams, will complete a six-game schedule for the Chargers.

Atlanta, San Francisco and Los Angeles are contenders

for the NFC West title this year. Injuries ruined a strong Jet team.

The Chargers beat the Falcons, 21-14, and Rams, 20-14, and lost to the 49ers, 28-17, in pre-season games this year. They beat the Jets in a league game, 49-21, but Namath then was on the sidelines.

When the 1972 NFL season commences, San Diego will be faced with what should be the most attractive and rugged schedule in the league.

The three National Conference opponents for the Chargers are Dallas, Detroit and San Francisco. The two AFC East opponents are Baltimore and Miami. Sites and dates of these games will be announced with the complete NFL schedule early next year.

Season tickets for 1972 are on sale now at the Charger ticket office at Gate E. Pre-season games are an optional purchase. Present season-ticket holders will receive their renewal blanks in the mail this week.

Gulls Face Denver Spurs Fans Face Price Hike

The San Diego Gulls take on the Denver Spurs at the Sports Arena Saturday night in the third of a series of four straight crucial games. Face-off is at 8 p.m.

The Gulls played in Phoenix last night, and will face the Roadrunners again on December 26th at the Sports Arena.

San Diego opened its series of four games against the other contenders for the league lead, Denver and Phoenix, by beating Denver at the Sports Arena last Saturday, 5-2.

The four games will have a lot to say about who will be leading the Western Hockey League as the season turns into the New Year. Denver, the early season leader, has been receiving a stern challenge from both Phoenix and the Gulls.

Last night's game against Phoenix is the fourth of the seasonal series, with the Roadrunners holding a 2-0-1 lead. In their last appearance against the Runners, the

Gulls rallied for two late goals to gain a 3-3 tie in Phoenix.

Denver and San Diego are all even, 2-2-1, in their series this year. The Gulls are 2-0-1 at home, and Denver is 2-0 in their rink.

In last week's action, the Gulls came from behind to win both games that they played. On Thursday, San Diego trailed 2-0 and 3-1 before beating the Seattle Totems, 5-

Kiwanis Tourney Tops High School Schedule

By John Nicholson

The biggest item on the week's agenda will be the 25th annual Kiwanis Basketball Tournament, which gets underway Saturday afternoon.

In the unlimited division, such schools as Grossmont, Helix, and San Diego High Schools will be seeded. Grossmont League schools should fare something like this:

First round: Mount Miguel over Hoover by 10 points; Madison over El Cajon by 17 tallies; Monte Vista over Morse in a four point upset; San Diego over Granite Hills by 25 points; Grossmont over Ocean-side by 20 points; and Helix over Point Loma by 30 points. Second round: Madison over Mount Miguel, eight points; San Diego over Monte Vista, ten points; Grossmont over

Clairemont, 30 points; Helix over Kearney, 20 points. Semi-finals: Grossmont over Helix, six points; San Diego over Madison, twelve points.

Finals: Grossmont over San Diego, 10 points; Helix over Madison, 15 points.

In the unlimited division, El Capitan is the only Grossmont League entry, and is the pick to go all the way. To win, the Vaqueros must defeat Sweetwater, 24 points; beat Chula Vista, eight points; knock off St. Augustine, 14 points; and defeat Hilltop, five points.

Wrestling

The first league meets get underway tomorrow night, and all eight teams will see action.

Monte Vista at Grossmont. No problems here for Monte Vista as the Monarchs draw an easy first-week foe. Grossmont has a few good people, but Monte Vista has strength in nearly every division. Monte Vista by 12.

Helix at Santana. This will be the first showdown meet of the season, and both teams have excellent wrestlers. Santana has excellent grapplers in several divisions, but Helix has better balance and depth. Santana, however, gets the upset nod by four points.

El Cajon at Granite Hills. Granite Hills failed to show overpowering strength in earlier tournaments, and will be hard pressed to get the win over a solid team. El Cajon by four points.

Mount Miguel at El Capitan. Mount Miguel draws an easy adversary in this match, and must be favored heavily. El Cap has little strength and a so-so program. Mount Miguel by 14.

All wrestling contests will get underway at 8 p.m.

Junior Unit Reaches Crocker Coupon Goal

December 12 was a festive morning for girls of the Junior Unit to the Ladies Auxiliary of the Mission Valley VFW Post No. 3787, as the group reached its goal of 1,054,200 Betty Crocker Coupons, which will be used to purchase a home dialysis machine, and some equipment for a kidney machine.

According to Mrs. Dave Thomas, of the Auxiliary, hundreds of letters were received containing coupons, including some from as far away as Hawaii and Maine.

Coupons may be mailed to the VFW Hall, 4370 Twain ave., San Diego, or the Starlight Center, 1280 Nolan st., Chula Vista, 92011.

NEW ARRIVAL — The first of three Sheriff's Department helicopters arrived at Gillespie Field last Thursday afternoon, and on hand to greet the new arrival was Sheriff John Duffy, left, who goes over the operation of the "bird" with pilot Roger Griessel, who flew the machine in. The helicopters will afford the Sheriff's Department an opportunity to provide better search and rescue coverage, as well as cut down patrol time in the county.

Richard Meyers Gets Post With Media Assoc.

Dr. Richard S. Meyers, Instructional Media Coordinator at Grossmont College was recently chosen president-elect of the Community College Media Association, an organization of community college staff, faculty and administration concerned with meeting the needs of individual learners based on all available theory and research in learning, communications, and perception.

The community college, free from university tradition and public school rigidities, has been able to utilize communications media to a larger degree than on other educational levels.

The CCMA was formed to provide all available media information, based on extensive research and experience, to its members as well as other educators. The CCMA includes members from approximately 65 community colleges from San Luis Obispo to Chula Vista.

Van Deerlin Supports Aid For Convention

A San Diego request for \$920,287 in federal aid to bolster police forces for next summer's Republican National Convention has been endorsed by Rep. Lionel Van Deerlin, D-San Diego. At the same time, however, he warned that San Diego shouldn't "fall into the trap of having too much artillery."

In a letter supporting the grant application, Van Deerlin said the 1968 Democratic National Convention, in Chicago, "proved how the mere sight of large numbers of heavily armed police can incite an unruly mob."

"No one wants similar upheavals in San Diego, in connection with the Republican Convention in August," he said. "Hopefully, we've learned enough from Chicago's experience to assure it won't happen again."

The San Diego grant would help finance a Convention Task Force consisting of more than 1,000 law officers from the San Diego area. Van Deerlin, who was a strong congressional supporter of legislation establishing the LEAA, asked Leonard to approve the full amount of San Diego's application.

Gulls Ticket Prices Hiked

Continued from Page 5

3. In Saturday's game against Denver, the Gulls rallied from 1-0 and 2-1 deficits to whip the Spurs, 5-2.

The cost of living hit the Gulls this week. Ticket prices will be increased 50 cents next year due to a rise in operating costs.

As a courtesy to Gulls fans, this increase will not go into effect until after January 1. Prior to that date, tickets for all remaining regular season home games may be purchased at the present prices.

The first game that will be affected by the increase will be the game of Sunday, January 2, against the Phoenix Roadrunners.

After January 1, 1972, prices will be \$4.50; \$4, and \$3.50. Some of the seats that are presently \$2.50 General Admission seats will become \$3 reserved seats.

Children high school age and under will receive a \$1 discount on all seats with the exception of the \$4.50 ticket.

Friends Plan Special Christmas Program

The primary children of the Spring Valley Friends Community Church, Bancroft and Kenwood drs., on Sunday, at 7 p.m., will present a Christmas program, assisted by several of the junior group.

There will be special Christmas numbers by "The True Believers," singing group of the church. And for the children, Santa Claus will make an appearance.

Opportunity Grants Open

Assemblyman John Stull said that applications for the College Opportunity Grant Program for disadvantaged students for the 1972-73 school year are now available at his district office.

New grants, ranging from \$500 to \$900, are primarily for students who plan to begin their college careers at a public community college. Exceptions are made to a limited extent if the student has a valid and important reason for starting at a four-year college and such exceptions will also include tuition and fees at the four-year institution.

Students who do not qualify as exceptions may use their grants to attend four-year colleges, provided they have need as evaluated by the State Scholarship and Loan Commission based on community college costs. If a student makes such a choice, however, the amount of the grant will not be adjusted to include tuition and fees.

Applications may be obtained at the Assemblyman's district office, which is located at 714 Second st., Encinitas.

Christmas Program Set

Spring Valley Junior High School Music Department will present the annual Christmas program, this evening at 7:30 p.m.

Len Goulis, band director, Cheryl Schow, orchestra leader and Ruth Calky, chorus director indicated the program will consist of traditional and contemporary music with various combinations of groups, and is entitled "Christmas Fantasy Finale."

Aztec Cagers See Triple Duty

Three games in five days is the situation facing San Diego State's basketball team as the 1971 portion of its schedule rapidly draws to a close.

The Aztecs of coach Dick Davis took a 50 record into Monday night's encounter against Wheaton College. State concludes play with Wednesday meeting against North Dakota State at 8 p.m. and a Friday road contest against Oregon State in Corvallis.

State will be out to complete a sweep of a home-and-home series against coach Bud Belk's North Dakota State squad. The Aztecs turned back the Bison 83-71 in a meeting earlier this season in Fargo. The win started a Bison skid which has seen them lose three straight. North Dakota State entered the week with a 13 mark, including a fourth place finish in the Kris Kingle Klassic in Los Angeles, and UC Irvine Tuesday night before journeying southward for the Wednesday Aztec encounter.

Michael Price Named 'Patrol Boy of Month'

Spring Valley Elementary School patrol boy Michael Price has been selected as that school's "Patrol Boy of the Month," it was announced last week.

Michael Price

The Patrol Boy of the Month is named each month through a vote by fellow patrol boys and patrol officers. Clyde Morton supervises the group.

Michael was selected for the "outstanding work that he has done, volunteering for duties other than his own." He is the son of Mr. and Mrs. Gene Gehres, of Spring Valley.

'Welfare' Check Given Waterfowl From DU Group

A "welfare" check for \$35, 150, made payable to North America's waterfowl, was presented to Dale Whitesell, executive vice president of the national Ducks Unlimited organization in Chicago, at the wrap-up dinner meeting Wednesday at Lubach's restaurant in San Diego.

The record amount, raised at the 28th annual San Diego DU party held Oct. 7, represents the largest sum ever contributed by the local DU chapter for waterfowl conservation work. Funds will go towards creating the James S. Copley "duck factory" in Canada, one of five such projects, financed by local fund-raising efforts at past parties.

J. Stacey Sullivan, Jr., of La Jolla, retiring San Diego DU steering committee chairman, will make the presentation.

Sullivan expressed appreciation to the general public in attending and supporting the ducks. "I especially want to thank all San Diego city and county media for their excellent support in helping to make the latest conservation effort an outstanding success."

Jackie Gleasons new home in Florida has 14 rooms but only two are bedrooms.

BEAUTIFUL DAY — San Francisco jazz-rock group "It's a Beautiful Day" will appear in concert December 19 at 7 p.m. in the San Diego International Sports Arena. Also appearing on the same program will be the "Chambers Brothers," "Dan Hicks and His

Hot Licks" and "Grootna." Tickets are \$4.75 in advance and \$5.50 at the door, and are available at Central Ticket Agencies, Bill Gamble's Men's Stores, and the Sports Arena box office.

Ray McAuley Gets County Endowment Job

David K. Speer, Public Works Agency Administrator, has announced the appointment of Raymond R. McAuley to the newly-created position of County Endowment Officer.

As endowment officer, McAuley will actively solicit donations to the county of land, historic buildings, museum articles and other items of value. He will counsel prospective donors on tax benefits available and help them arrange for the greatest possible tax advantages on such donations.

Raymond McAuley

McAuley comes to the county from Marquette University, Milwaukee, Wisconsin where he spent 20 years in positions of administrative responsibility.

Beginning as an instructor in philosophy, he served successively as dean of men, vice president of student affairs, vice president of business and finance, and finally as executive vice president. In these various assignments, he has had experience in fund raising activities.

Three Juveniles

Continued from Page 1
license plate number.

Arrested were Eric B. Johnson and Darryl L. Kelley, 17th students at Morse High School, and the 15-year-old youngster, also a student at the same school.

According to reports from the Sheriff's Department, a call was received short after noon last Tuesday from the Dean's Photo booth in the "Big T" Shopping Center, 8533 Jamacha rd., Spring Valley.

The call indicated that a robbery attempt had been made on the shop by a juvenile who allegedly flashed a small handgun, demanding money. The juvenile fled the scene, however, when another customer drove up to the shop.

The attendant at the shop asked the customer to follow the suspect, which she did, noting that the suspect ran across the shopping center parking lot and got into a car with two other juveniles. The customer wrote down the license plate number of the suspect vehicle.

The Sheriff's Department relayed the information to the San Diego Police Department, who dispatched a unit to an address obtained through a check on the license plate number.

All three suspects were arrested at the address.

Crusade Drive Ends

Continued from Page 1
number of areas where special circumstances have delayed the holding or completion of campaigns.

"With improvement in our communications among employees of some groups that have been unresponsive to community needs, there still remains the possibility that we will further increase our total."

Five Jailed On Laundry Room Theft Charge

Five Spring Valley juveniles, ranging in age from 13 to 15 years, were arrested in Spring Valley last week on charges of attempted theft, according to reports from the Sheriff's Department.

Paul E. Runge, owner of the La Presa Laundry on Jamacha rd., indicated to deputies that he left his business shortly before 5:30 p.m. last Tuesday evening when he noticed a group of youngsters at a store nearby.

Due to a chronic problem of malicious mischief he has had with the business, Runge said he left the building but returned a short while later. When he returned, he saw three of the group in the front of the laundry, while two others were in the back near some dryers.

One of the youngsters near the dryers was attempting to retrieve coins from it by using a stick with gum attached to one end, while the other was lifting the lid of the machine to help.

LG Fire Report

The Lemon Grove Fire Department, for the week of Dec. 6-13, answered eight fire calls, four of which caused property damage.

On Dec. 6 at 7:35 p.m., firemen responded to a call at 2770 Cypress st., where a vacant house was afire, presumably started by a torch from workers.

On Dec. 7, at 5:12 a.m., firemen went to 2353 El Prado, where the trailer of Mamy Piper was afire, due to an electrical short. Damage was estimated at \$750.

Veterans Pay Questionnaires Must Be Returned

Income questionnaire cards received by veterans, widows and dependent parents with their checks on November 1, must be completed and returned to the Veterans Administration, according to David A. Leslie, Director, Veterans Service Department, 220 West Broadway in San Diego.

Leslie said that veterans who have attained age 72 will be exempted since they will not receive questionnaires.

The County Veterans Service Department now provides temporary service at La Mesa and El Cajon. Information on addresses and phone numbers may be obtained by calling 239-7711, ext. 316.

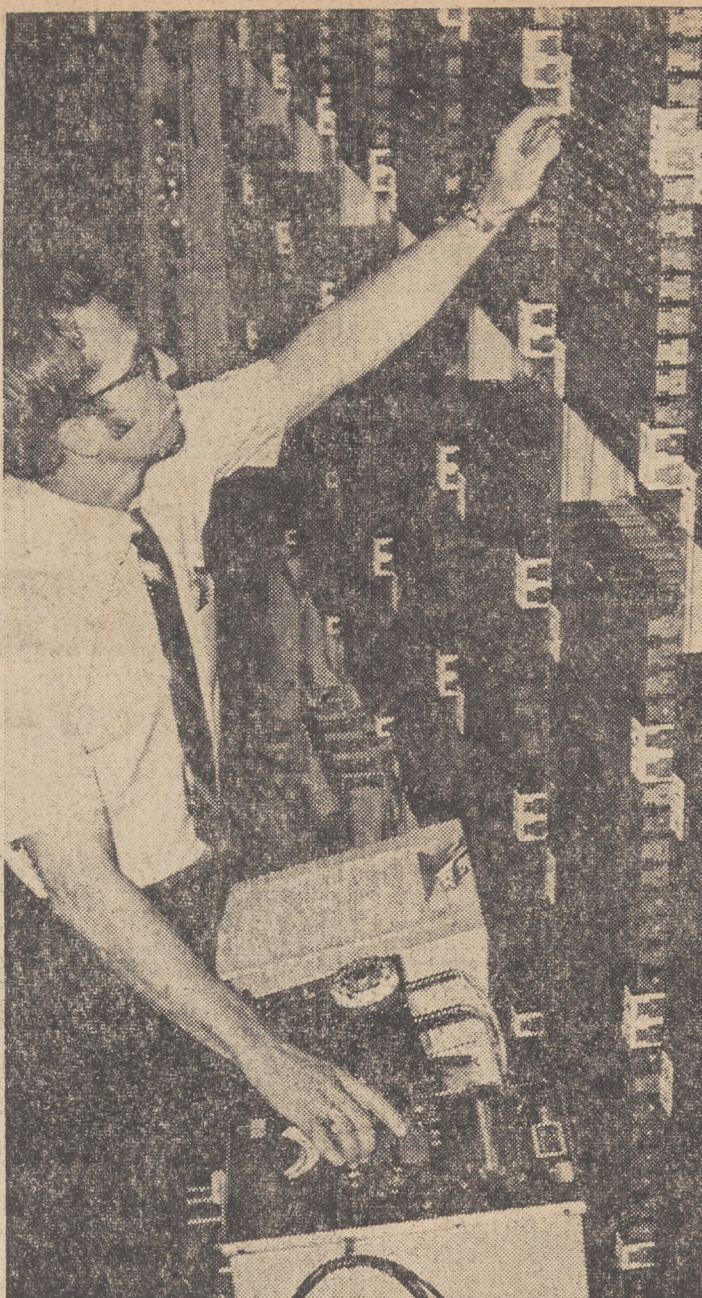

Those questionnaires not returned by the final deadline of January 15, will cause payments to be terminated, Leslie said.

Lighting Contest Set For Monday Evening

The Spring Valley Chamber of Commerce's eighth annual Christmas home decorations contest will be held Monday, with 38 prize ribbons and trophies to be awarded, according to Herb Ketell, who is chairman of the contest along with Helen Baker.

Under the contest rules, twelve area judges will award first, second, and third place ribbons, and then all 36 winners become eligible for the final judging.

The final judging will begin Monday at 7:30 p.m. when a bus departs from Carman Ranch Club, carrying judges and interested residents to each of the homes. After the tour, the grand prize, second and third prize winners will be named.

METER INSPECTION — Ed Nelson, a wire chief at Pacific Telephone's central office in El Cajon, checks out meters being used to tabulate the number of local calls made monthly by business customers. The totals will be used to figure businesses' telephone bills. The measured business rate service replaces flat rate service.

Beginning with January's bill, rates on business telephones will be reduced by half, but a 4.7 cent-a-call charge will be made with the first 80 local calls being covered by a flat monthly fee of \$7.55 in most cases.

After 80 calls, the meter will tick off the added charges. A firm making 600 calls a month would have a meter charge of \$24.44 plus \$7.55 for the first 80 for a total of \$31.99.

The service that will be \$7.55 for 80 calls previously was \$15.65 for unlimited calls.

Trustees Award Bid For 61-Passenger School Bus

The Lemon Grove School District Board of Trustees met Monday night and awarded a bid for a school bus, approved application for ESEA Title II funds, and discussed unification and the Stull Tenure Bill.

In awarding a contract to International Harvester for a 61-passenger school bus, trustees noted that the bid was nearly \$500 less than the highest of the three bids received.

It was brought out at the meeting that an International purchased previously had had some problems with brake lining, but the local representative for the company documented that the problems have been worked out and that the bus in question would meet specifications called for.

Title II Funds

The application for ESEA Title II funds would provide money to the district which would be used for the purchase of books for district schools, as well as for St. John of the Cross School.

Under the program, about 300-350 books would be provided for each of the district's schools. The application will be made in the amount of \$6,743.

Regarding unification, it was noted at the meeting that the San Diego County Board of Education accepted the three-district concept at a unification hearing held last Thursday afternoon.

Three-District Plan

The three-district plan, which would divide the Grossmont Union High School District into three separate school districts serving students in grades kindergarten through 12, was somewhat of a surprise, as only the two-district and four-district plans have had much support at hearings in the past few months.

The three-district concept will now be considered by the state board for placement on the June 2 ballot. If the three-district plan does not meet with state approval, a one-district unification plan will be sent to the voters.

Rounding out the long meeting was a discussion on the Stull Tenure Bill which has been approved by the state legislature and signed by the governor.

The law calls for the establishment of guidelines for evaluation of teachers and other certificated personnel as well as guidelines for dismissal.

The law is expected to have no effect on local teachers this year, but the program could be in operation during the 1972-73 fiscal year.
